

# Intercultural Exchanges at Home

20.6 10:00-12:00(UTC)

Sun. ON ZOOM

Get to know and make friends with your counterparts around the world! 🌍

Thanks to Zoom, we will exchange NO Virus but our opinions and ideas beyond the border!

Why don't you join us to enjoy chatting with students around the world over casual themes? As the big theme, we set "Beyond the difficulties," and as conversation topics, we set "How do you spend your stay-at-home time?" and "What do you want to do when the pandemic is over?"

Our main language will be English, so participants need to be able to have a casual conversation in English.

It will cost you absolutely nothing to enjoy this spontaneous and exciting chat.
